ANOTHER DAY OF SUN

Beverly Hills sparkles as the epitome of glamour and excitement, a place where dreams come true. Rich arts and culture offerings are as ubiquitous in Beverly Hills as sunshine and palm trees; there is no shortage of opportunities to stoke creative spirits. The Los Angeles County Museum of Art is home to more than 100,000 works of Islamic and Japanese art and pieces from prominent Latin American and Southern California artists.

To learn what to do in Beverly Hills with kids, enlist the help of the Concierge at the Hotel to arrange VIP tours for the family (private transportation can be arranged for each outing) of some of the destination's top attractions.
