TIMELESS *GRANDEUR* IN ASWAN

South of Luxor on the banks of the Nile, the city of Aswan astonishes with countless ruins from the time of the ancient Egyptians. The city's atmosphere is tranquil and relaxed, offering serene boat rides on the Nile, palm-studded shorelines and intriguing souks. Events can take place at the Temple of Philae, an exquisite complex built in 690 BC and offering a picturesque setting on Agilkia Island. Well-preserved architecture, dramatic courtyards and the interplay of sunlight on stone create a setting of transcendent beauty.

We can also organize tours of the Tombs of the Nobles, the Mausoleum of Aga Khan and the celebrated Nubian Museum, providing a complete Aswan experience.
