

AMERICAN SERENGETI

A North Yellowstone Wildlife Adventure

FOUR SEASONS
RESORT AND RESIDENCES
JACKSON HOLE

This summer, experience an immersive adventure through the beauty and grandeur of northern Yellowstone National Park as you embark on a private flight with up to seven guests and journey across the country's most pristine wilderness.

You'll be guided by expert naturalists on an encounter with diverse wildlife through northern Yellowstone's "American Serengeti" with opportunities to see moose, grizzly and black bears, mountain lions, elk, bison, bighorn sheep, pronghorn, deer, wolves, foxes, beavers, raptors, and many more species.

Discover the majesty of wildlife in their natural habitat on this truly epic day-long excursion offered exclusively by Four Seasons Resort Jackson Hole, in partnership with Jackson Hole Wildlife Safaris and Yellowstone Safari Company.

ITINERARY

The following is a suggested itinerary. Personalize your adventure by adding a hike into Yellowstone's wilderness to visit thundering waterfalls and secret thermal areas, get a wildlife photography lesson from a pro, or try a mini-class on identifying animal tracks and signs.

6:30 AM

Your Wildlife Safari guide will greet you at the resort and brief you on your itinerary as you make your way to the private jet center in Jackson Hole.

7:30 AM

Meet your two pilots on board your private eight-seat Swiss Pilatus aircraft and embark on your journey while enjoying a gourmet breakfast prepared by our Four Seasons Chefs. Your Wildlife Safari guide will accompany you as you fly over some of the country's most pristine wilderness in the greater Yellowstone basin.

8:30 AM

After landing in Livingston, you are greeted with Montana's famous big skies and met by a second naturalist and wildlife biologist guide who specializes in Yellowstone's wildlife. You'll disembark the tarmac and be whisked away to Yellowstone in a luxury 4WD SUV.

10:30 AM

Enter Yellowstone National Park's northern entrance via Gardiner, Montana, and the iconic Roosevelt Arch and make your way to the Lamar Valley. As you traverse the park on foot and in your luxury vehicle, you will track, see and learn about Yellowstone's diverse wildlife and their roles in the local ecosystem.

12:30 PM

Enjoy a customized four-course gourmet lunch amid the spectacular scenery. Weather permitting, you will dine outside in comfort with tables and chairs.

1:30 PM

Continue your excursion by viewing and photographing wildlife through specialized Swarovski spotting scopes. As you take a scenic hike through the pristine wilderness you will observe some of the densest concentration of flora and fauna in the continental United States.

5:00 PM

Your guides will return you to the airport in Livingston where you will relax over views of Yellowstone from the air, while reflecting on witnessing its magic firsthand. Upon landing in Jackson Hole, you will be greeted by your final transfer, which will return you to the resort after a truly unforgettable experience and memories that will last a lifetime.
