## UNWIND ON THE BEACH

Give your guests plenty of beach time. Our kilometre-long stretch of golden sand is framed by limestone cliffs, creating secluded sunbathing coves for extra privacy. Lounge in sun and shade, while staying refreshed with chilled towels and facial spritzes offered hourly. Plan a beachfront volleyball game or grab equipment for parasailing, sea kayaking, stand-up paddleboarding and more.

## SNORKEL AT OUR HOUSE REEFS

Just off the Four Seasons shoreline, our two pristine house reefs feature stunning corals and brightly coloured reef fish. Easily accessed from our jetties, the reefs provide an ideal training site for beginners in snorkelling and diving. Let us plan a full- or half-day excursion along the coast or farther offshore.

## DIVE TO REEFS AND SHIPWRECKS

Sharm is an internationally acclaimed diving capital and Four Seasons offers easy access to 76 recognized dive sites – many only a few minutes away. At our on-site Dive Centre, a team of experts is ready to provide guidance and plan a complete diving itinerary, making it easy to visit a mysterious shipwreck and many other enchanting locations among the Red Sea islands. ## JOURNEY INTO BIBLICAL HISTORY

Witness sunrise over Saint Catherine Monastery, built at the spot where God is said to have appeared to Moses in the Burning Bush. This UNESCO World Heritage Site is the oldest continuously inhabited monastery, established in AD 565. Hike up Mount Moses for a panoramic sunrise view of the monastery and the glittering Red Sea, then enjoy a breakfast picnic prepared by our Four Seasons chefs.

## TAKE A SAFARI BY QUAD BIKE OR CAMEL

Head into the desert wilderness to experience a world of breathtaking beauty, framed by spectacular hills and mountains. Feel the wind brush your skin as you speed across the dunes on a quad bike. For a more traditional approach, ride a camel on a sunset safari, as the sky turns brilliant shades of red and orange.

### **DINE LIKE THE BEDOUIN**

For a truly local culinary experience, let us arrange a traditional breakfast or dinner – either at Four Seasons or in the desert.

Start the day on the Red Sea shores with an authentic Bedouin breakfast crafted by our Egyptian chefs. Later, indulge in a delectable meal on the golden sands, giving a taste of local culinary traditions.

For Bedouin Dining Under the Stars, firelight, shadows and sea set the scene for a nighttime feast on the beach. Savour a spread of Egyptian specialties as you share the evening's entertainment: music, fire dancers, belly dancers and camel rides.

## EXPLORE CULTURAL LANDMARKS

The massive Al Sahaba Mosque is a masterpiece of design with its soaring minarets and stunning domed ceiling. Continue to explore at the hilltop Heavenly Cathedral, considered one of the world's most beautiful churches, inspiring with its tall stained-glass windows and elaborately painted ceiling and walls.

Especially fascinating is a visit to the Sharm El Sheikh Museum, covering the entire span of Egyptian civilization. Over 5,000 artefacts illustrate the daily life of the ancient Egyptians. Intriguing objects range from sculptures and animal mummies to cosmetics and jewellery.
